September & October 2017

From the Board President

As summer turns into fall, the library board and staff are hard at work getting the final pieces of our renovation project in place. The temporary library, located in Feather Hill, is being readied for use. We are awaiting our permit approval from the building department and are screening potential contractors for our project. The library board feels strongly that all of the tradesmen and tradeswomen associated with the renovation are based on the North Fork whenever possible. We hope to have the transition of the library to the temporary space completed by fall so that the project may begin in November. We are very pleased with our patrons' overwhelmingly positive response to the project and we will be keeping you apprised of the construction project via our newsletter, social media, and our website. Director Caroline MacArthur is happy to answer any questions in person, by phone, or email as well.

If you have not seen our new and improved web site, please visit us at www.southholdlibrary.org. The web site will allow you to order traditional and electronic books

and sign up for events among its many features. Also please take the time to like us on Facebook and follow us on Instagram and Twitter. This way you won't miss any new happenings or offerings at the library.

Finally, I am sad to announce that 2 trustees will be leaving our board shortly. I want to thank **David Shanks** and our long time Treasurer **Kevin Shannon** for all of their hard work and tireless dedication to our beloved library. If you see them in town, please stop and thank them for their devotion to the library. On a happier note, I am pleased to announce that several candidates have stepped up to volunteer to serve on the Board of Trustees. If you have any desire to volunteer on the Board or in another capacity, please contact our Director, Caroline MacArthur. Please enjoy the fall and we look forward to posting project updates regularly.

Sincerely,

David Robinson

President, Library Board

SCOUTING PROJECTS IN THE LIBRARY POCKET PARK

Visit the Library's pocket park (on Main Road, adjacent to the Library to the east) to enjoy a peaceful spot right in the middle of Southold. This quiet, shaded green space is a perfect place to read, think, picnic, meet friends, or just spend a few free minutes. Last summer a bench was dedicated in memory of longtime library employee **Fortuna Maney**.

This year, a second bench and two picnic tables have been added, thanks to the generosity of two young residents. The newest bench was assembled and donated by **Erin Hoyt** as part of her Girl Scout Silver Award. Picnic tables and benches were assembled and donated by **James Hoyt** to earn his Eagle Scout rank from the Boy Scouts of America.

Thank you James and Erin!

The Library Pocket Park is now even more welcoming with a reading bench assembled and donated by Erin Hoyt for her Girl Scout Silver Award, and picnic tables with benches built by James Hoyt for his Eagle Scout project.

Cold Stunned Sea Turtles

The Riverhead Foundation
for Marine Research and Preservation
Thursday, October 5
6:30pm

Sea turtles inhabit New York waters during the summer
and fall before heading south to safe, warmer waters.
When cold-blooded sea turtles are in water temperatures
below 50 degrees F, a condition called cold stunning
slows their movements. Afflicted sea turtles get washed
ashore onto beaches. Cold stunning, if left unnoticed, can
become fatal. The sooner these animals are found and
reported to the Foundation, the higher their chance for
survival!

those possessions. As stress increases, peace and joy
decrease. Tips on clearing out one's personal space are
presented as de-cluttering becomes a synonym for grati-
tude and peace. The seminar includes a lecture, medita-
tion, and question-and-answer period.

Library Renovation News

Next Steps...

We're getting ready to begin a new chapter! Our Library building will undergo a complete renovation. While this is underway, Library services will be available, located in the Feather Hill building formerly occupied by Elmer's Custom Amish Furniture.

In 1797, the First Library was organized at Peck's Inn. Over one hundred years later, in 1904, the Southold Free Library was granted a charter, and operated, as did the First Library, out of the residences of kind-hearted citizens who offered the Library temporary space in one of their rooms. In 1928, the Southold Free Library opened its doors in its permanent location atop Feather Hill. The Library is no stranger to moving!

We'll be hosting programs at other locales. We'll keep you informed through our website, southoldlibrary.org, newsletter, and social media, and as always, staff are available by phone or in person 69 hours a week!

Project updates:

- The permit application is being reviewed at the Building Department.
- The temporary space in Feather Hill is being prepared for the services you expect from your library. You will be able to access books for all ages, DVD's, audio books, computers for public use, a printer, photocopier, newspapers, magazines etc. All staff will be available to help you find what you need.
- A Library moving company has been contracted to move the materials into the temp space, and move them back when the project is completed.
- It is anticipated that the move will take place at the end of October, and the construction will begin in November.
- Programs will be held in other locations in Southold/Peconic. For example, the Book Discussion Group will meet in the Southold Recreation Center on Peconic Lane, beginning in November.

THE FRIENDS BOOK COTTAGE

A group of volunteers dedicated to raising funds to enhance Library programs (concerts, art workshops and 6 weeks of summer youth programs), materials (large print NYT newspaper, bookmark magnifiers, refrigerator magnets), landscaping (parking lot planters, cottage gardens, picket fence garden), and furniture, to name a few!

THE GREAT GIVE BACK

Suffolk County Libraries are all participating in the First Annual Great Give Back. This community wide day of service has taken on a whole new meaning after Hurricane Harvey has left a devastating path of destruction and flooding.

Please join the library and First Presbyterian Church in collecting items to make up 3 types of kits that we will deliver to victims of this event. Donations accepted now through October 14th.

Drop off your donation of any of these items to be placed in a hygiene kit, a school kit, or a cleanup bucket. You may bring your donations to the church or Library. **On October 14th**, help us assemble these kits (time and location to be announced) for delivery in Texas. Items are specific (size, number, etc) to each kit.

Cleanup bucket:

- 5-gallon bucket with resealable lid
- Scouring pads
- Sponges, assorted sizes
- Scrub brushes
- Dust masks
- Package of clothespins
- Box of powder laundry detergent, 50-78 oz.
- Work gloves
- Rubber gloves (like Playtex)
- Liquid household cleaner (like Lysol), 12 oz.
- Liquid disinfectant dish soap (like Dawn), 25 oz.
- Cleaning towels (18 reusable, like Handi Wipes)
- 24-count roll heavy-duty trash bags (33-45 gallon)
- Insect repellent (drops or lotion, not aerosol), 6-14 oz.

Liquids in plastic bottles only

Hygiene kit:

- Hand towel (approx 16" x 28")
- Washcloth
- Wide-tooth comb
- Nail clipper
- Bar of soap (bath size in wrapper)
- Toothbrush (individually wrapped in original package)
- Band-Aids or other adhesive bandage strips

School kit:

- Scissors, rounded tip
- 70-count spiral notebooks or notebooks (no loose-leaf)
- 12 inch ruler (30cm)
- hand-held pencil sharpener
- New pencils with erasers
- Large erasers
- Crayons 24 count box
