

SUMMER 2019 ♦ JULY ♦ AUGUST

From the Board President

I hope this letter finds you well and enjoying all that summer has to offer. I am excited to report the library renovation is entering its final phase. All of your support has led us to this moment. I cannot wait until the grand re-opening in order to show you our beloved library. In the meantime, videos showing our renovation progress can be seen on our website at www.southoldlibrary.org

There are several fund-raising efforts currently underway. Bricks, which can be engraved, are for sale for \$100. It is the perfect way to support our library and be part of history when your brick is displayed outside the library. There is also a 50/50 raffle that can be purchased for \$100 with a grand prize of \$10,000. The drawing will take place during our grand reopening celebration. Both the bricks and the winning raffle ticket can be purchased at the library or via our website.

The staff is hosting an amazing array of programs this summer. From book discussions, historic walks to sushi, and a "Universe of Stories" during the Summer Reading Club for families and children of all ages. Check out the program options in this newsletter and our website for the latest on all that the library has to offer.

A special thank you to the Friends of The Library and all of the volunteers for everything that they do throughout the year to support the library. These are amazing individuals who volunteer their time and energy and help make the library special. If you have interest in volunteering please see our Director, Caroline MacArthur.

Sincerely,

David Robinson

Pave the Way

Help pave the way to support the renovation project. Personalize your brick with an inscription and logo of your choice. Makes a great gift--honor a loved one.

Your purchase will support the Library and be part of the community for generations to come.

Bricks will be placed on the walkway adjacent to the library entrance.

Order online, or print a form to mail in or drop off.
