..... LEARN • CREATE • GROW .....

*Thank You*  
to the Friends for their  
generous support of  
our summer youth  
programs!

## FROM THE PRESIDENT

Fall has arrived! That means the grand opening of our library is upon us. I want to thank you for all of your patience and understanding as we put the finishing touches on our library. I promise you it will be worth the wait. There will be a few weeks of transition as we move back in to the library. There will be modified hours during the move, so that service to our patrons is disrupted as little as possible. A grand opening is planned for November. Watch for updates via our website or on social media.

Thanks to everyone who purchased raffle tickets and bricks and to everyone who made a contribution. We wouldn't be at this point without all of your help. Stop by the library if you have not had a chance to purchase a brick, take your chance to win \$10,000 or would like to make a tax deductible donation.

It has been a very busy year for our library and I want to thank the Director, Caroline MacArthur, her staff and the volunteers. Everyone has worked tirelessly to make the Feather Hill library feel like a home away from home. Programs have been held offsite thanks to the graciousness of the Town and Southold Presbyterian Church. I also want to thank Architect Vincent Benic, and the owners and employees of North Fork Woodworks who turned our vision into reality. The Board of Trustees deserve a special shout out. This group of volunteers worked together so that this project, which will enhance the lives of all of the residents of Southold, could come to fruition.

See you at our grand reopening.  
Sincerely,

*David Robinson*
