..... LEARN • CREATE • GROW .....

## Updates, News, and More...

By the time you read this, staff will have been offering telephone, chat, and email assistance for about three months, and curbside pickup for two weeks. As NYS can safely move forward in phases, the library will take steps to make materials and services available in the building.

This summer, the Library will be offering many virtual programs where social distancing can be assured. Dana and Penny have lined up a full Summer Reading Club for all our patrons ages 1-17. Read to earn raffle tickets for great prizes, and check out the numerous and creative virtual programs every day!

The Library Board has approved a new policy, and moving forward, no overdue fines will be charged for materials you borrow. We are excited about this change, and expect it will make borrowing and using the library simpler than ever.

The Library staff have greatly missed seeing our special community in the beautifully renovated library this Spring. We are looking forward to the day we can open the door and say 'Come on in!'

## FROM THE PRESIDENT

It is my wish that this newsletter finds you and your family safe and sound. As we enter phase 2 of the reopening of our community following the COVID 19 pandemic, our library and our lives will be transitioning to a new normal. The library is slated to reopen in a limited fashion. The number of patrons allowed in the building will be limited. While the library has been closed to the public the staff has been very busy, re-envisioning all aspects of the library. From social interaction to checking out a book, the staff is implementing strict protocols designed to keep you safe while enjoying your experience at the library. Upon entering the library you will be required to wear a mask. This is for the safety of your fellow patrons as well as the staff. Disinfecting wipes will be available throughout the library and next to the computers. The library is in the process of purchasing UV wands, designed to sterilize surfaces including books. These are just a few of the changes. A complete list of new protocols are available in this bulletin and on our website. In short we are making every effort to ensure your safety but this situation is new to all of us and if there is something that we didn't think of please let us know.

As always our state of the art website can fulfill most of your library needs remotely, without ever having to leave the comfort of your home. We look forward to seeing you at the library and throughout town as we support our local businesses, so that we all may recover and heal, as a community.

Sincerely,

*David Robinson*

## ASK ABOUT OUR “AT HOME” SERVICES.

If you can't come to us, we'll come to you! This is a free service for those living in Southold or Peconic hamlets who are not able to visit the library, due to a temporary or permanent injury or illness. Contact Carol Forestieri with any questions.

The library is now offering a museum pass for New York State Parks, called the Empire Pass. Please call the library for more details and to reserve your pass.
