FROM THE PRESIDENT

I hope you are having a happy fall season. It was a summer that we will not soon forget. I would like to take the opportunity to thank the library director and her staff for the amazing way they came together in order to keep the library open and accessible to our community during the past 6 months. When the building was closed, the staff set about reorganizing and rethinking the way a library can operate. During the transition the staff made sure requested books were available to be picked up safely. When the library was allowed to reopen the staff worked tirelessly to ensure that the community was safe and secure while continuing to offer the most fulfilling library experience possible.

We are all grateful to our patrons for their understanding and support. The library continues to reinvent itself and the services it offers during these unprecedented times. The library offers many programs that can be accessed remotely from the safety of your homes. Most library functions can be utilized via our website. If you wish to come to the library, you are welcome. The staff is excited to assist with any needs and you can be assured that the common areas of the library are being continuously sanitized throughout the work day and the library is disinfected on a regular basis.

The Southold Free library and the dedicated staff are ready to serve you and welcome you back to your community library.

Sincerely,

David Robinson

NO MORE OVERDUE FINES!

Southold Library has joined with many other libraries in Suffolk County by eliminating fines for materials that are returned past the due date. You will receive reminders if your materials are due soon via email, or become overdue.

FOND FAREWELLS

Our Reference Librarian, Jessica Frankel, recently retired after eight years of dedicated service to the Southold community. A new chapter begins!

Library Page, Brooke Averette is leaving after 4 years. She is off to college and beyond!

They will both be greatly missed!

Welcome back!

Our Library welcomed patrons back into the building in mid-July with procedures in place to keep both staff and patrons safe. Staff have been happy to see our friends and neighbors returning and are most grateful to once again be inside the library.

Our convenient curbside pickup of library materials, implemented in mid-June, will continue into the autumn season for patrons who prefer this service. Books, DVD's, recorded books, music CD's, and magazines may be requested by accessing your patron account on our website, emailing requests to southoldlibrary@gmail.com or calling us at 631-765-2077 between 9am-8pm Monday-Friday and 9-5 Saturday.

We are thankful for our community's continued support.
