

Community Information Center

The primary use of the community information center will be for posting local programs, events, and organizational announcements. As a center for information, the library will display materials from local government, non-profit civic, cultural, recreational, and educational organizations. Materials will be displayed if the following criteria are met:

- Materials to be posted will be submitted for approval.
- Items posted are done so for informational purpose only. Posting does not imply an endorsement by the library.
- Limited space allows only short-term notices. Library staff will place and remove postings promptly.
- Preference will be given to local organizations. As space allows, items will be posted from other areas. Priority will be based on geographic distance from Southold and Peconic.
- Petitions may not be posted in the library.
- Contact information for further information or clarification to be included on all materials submitted for posting.
