FROM THE PRESIDENT

Summer is here and I hope that you are enjoying all that the North Fork has to offer. The library is open to the public during its regular business hours. Please feel free to stop by and check out a book or a DVD or just come and check out the renovated library. As always, our website is the next best way to physically being in the library.

I wanted to take a moment to thank Chris Gallagher for all of his tireless work as a trustee over the last 8 years. Thanks to Dr. Gallagher's efforts, the library was rewarded with multiple grants that allowed us to make the renovation possible. Moreover, Chris was a driving force behind the entire renovation process and oversaw the build. I know I speak for everyone involved when I say that he will be missed.

There is always a need for Trustees like Chris Gallagher. If you have a love of the library and your community, if you are looking for a way to give back, if you are new to the community or a lifetime resident then please consider donating your valuable time and become a Southold Free Library Trustee.

Sincerely,

David Robinson
