FROM THE PRESIDENT

Dear Southold Community,

The staff and trustees of the Southold Free Library wish you a wonderful and healthful new year.

This is the time of year when many of us make those wonderful resolutions that we hope to keep. Why not start your new year by committing to learning or visiting something new? Mah Jongg or Canasta anyone? How about checking out a museum pass and exploring new venues? Have you seen the latest offerings from our special Children's Librarian Miss Dana, or perhaps you are a teenager looking for a safe place to hang with friends. Take a look at the numerous and varied programs in this newsletter. All this and more are awaiting you within our beautiful Library.

This is also a time to give thanks and remember the generosity of those who have supported these incredible programs. Please feel free to ask us about the many ways you can be included on our gratitude wall.

Best wishes and happy reading,

Lisa Davidoff
