FROM THE PRESIDENT

"It is never too late to be what you might have been."

— **George Eliot, novelist**

Dear Southold Community,

The New Year has dawned and many of you have made new year's resolutions. Our staff and trustees are hard at work developing new programs, creating a scholarship for a graduating high school senior and improving the outdoor space.

Make attending a program at our library one of your resolutions. There is something for everyone inside our wonderful building. We are continuing to strive to be more inclusive with more bilingual programs.

Hope to see you at the library.

Lisa J. Davidoff

FROM THE DIRECTOR

The New Year brings us 366 blank pages—I hope you all write a book filled with new and wonderful stories!

You can warm up with a cup of coffee and a good book at the Library. Or sit at the jigsaw puzzle table and put the pieces together. Check out the programs for all ages and interests. I look forward to seeing you.

2023 marked special milestones for staff members Carol Forestieri and Susan Caggiano. Carol celebrated 25 years at Southold Library, continually and consistently offering many services to the community both at the front desk, and 'behind the scenes'. She also chooses and delivers materials to 'At Home' patrons regularly. Susan Caggiano celebrated 30 years at the Library! Susan has been an integral part of all facets of service. She is a past recipient of the Excellence in Library Service Award, and continues to support us all, whether staff or patron! Thank you Carol and Susan!!
